Field Visit by Banglalink SME Team – Manikganj

The Banglalink SME Team, in collaboration with Genius Farms Ltd, conducted a field visit in Manikganj to assess the impact of the Dr. Chashi App. They interacted with farmers using AI powered agricultural solutions.

Dr. Chashi Field Activity:

As part of the Dr. Chashi project, our AI-powered field data collection continued actively this season, with a special focus on Narsingdi and Manikganj. In July, the scope of our data expanded to crops like Papaya, Chili, Long Bean, & Lady's Finger. Our team also conducted targeted accuracy testing on similar diseases found across different crops.
